

**Title: Policy on Advanced Placement**

Page 1 of 1

**Purpose**

**To clarify the inability of students to seek advanced placement in the SBB program**

**Materials**

**Procedure**

- A. The Commonwealth Transfusion Foundation Specialist in Blood Banking Program at Blood Assurance provides a proven high quality educational opportunity and does not award advanced placement into the SBB program.
- B. Students may enroll with some previous experience in another SBBT/TM program but will be required to complete all elements of the program along with their new CTF SBBT/TM at BA cohort.

**Expected Results**
