MEMORANDUM

To: Medical Laboratory Director, Manager, or Supervisor
From: Tennessee Medical Laboratory Board – Administrative Office
Re: Facility License

Enclosed is the facility license for this clinical laboratory facility, independent laboratory, plasmapheresis center, blood bank/donor center, ambulatory surgical treatment center, or collection station.

Examine it carefully for any errors and if the license is incorrect please notify the administrative office. The clinical specialties on the face of the license reflects the last on-site survey report submitted to this office from the state's regional surveyors.

Please post license for public view.

Do not forget any change in ownership, medical director or location of this facility requires notification to this office and the completion of Fee Change Form and submission of required fee made payable to the State of Tennessee.

A change in medical director requires a copy of the individual's boarding credentialing. Ph.D.'s MUST possess a current license issued by the Tennessee Medical Laboratory Board in the appropriate specialty category in order to be a laboratory director.

Any changes in medical laboratory director, facility location, supervisor, or laboratory specialties must be reported to the administrative office a minimum of fifteen (15) days BEFORE the event.

If you have any questions, please contact the administrative office toll free at 1-800-778-4123 or locally 615-532-1945.

Thank you.
